

September 12, 2016

We have been informed by Major Pharmaceuticals that United Exchange Corp. of Cerritos, CA, a primary source vendor of Major®-branded Eye Wash, is voluntarily recalling their 4 oz. eye wash solution due to microbial contamination. This product consists of a purified water solution.

William V. MacGill & Co. has utilized Major Pharmaceuticals as a supplier for our product #1492 Irrigate Eye Wash, 4 Oz. We received one shipment of NDC number 0904-6491-20, Lot #G16901, and expiration date 01/2019 in July 2016, which is listed on the [manufacturer's recall notice](#).

Orders placed with MacGill after July 14, 2016 for item #1492 may be affected by this recall. Please check your eye wash bottles to see if it is a Major Pharmaceuticals product with the lot number of G16901.

If you are in possession of a recalled product, please return the product(s) to MacGill for refund or replacement. Return to:
